\$1789.20 was received from Robert T. Bennett to reimburse the party for airfare to an RNC meeting. The memo entry was to US Airways and the payment was made to Chase Business Card.

2) Schedule B Line 30(b)

The two disbursements mentioned were for our get the vote effort One was for the 2007 general election and did not qualify as express advocacy as there were several candidates mentioned, the printing was for the primary 2008 election which was also for our get out the vote effort and did not contain express advocacy.
